### **1. RESOLUTION 1 – ISSUE OF SHARES AND PERFORMANCE RIGHTS FOR ACQUISITION OF COOGEE GOLD PROJECT**

#### **1.1 General**

This Resolution seeks Shareholder approval for the issue of 500,000,000 Shares and 200,000,000 Performance Rights to Serena Minerals in consideration for the acquisition of the Coogee Gold Project as announced to the ASX on 1 July 2020.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The proposed issue does not fit within any of the exceptions and the Company is therefore seeking the approval of Shareholders under ASX Listing Rule 7.1.

The effect of this Resolution will be to allow the Company to issue the Shares and Performance Rights as consideration for the acquisition of the Coogee Project during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

If the Resolution is not passed the Company will not be able to proceed with the issue of Shares and Performance Rights and will not acquire the Coogee Gold Project.

#### **1.2 Information required by ASX Listing Rule 7.3**

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Resolution:

- (a) The Shares and Performance Rights will be issued to Serena Minerals Limited.
- (b) The number of Shares to be issued is 500,000,000 and the number of Performance Rights to be issued is 200,000,000. Serena Minerals agrees to the voluntary escrow of the Shares for a period of six months from the date of issue and to the application of a holding lock to the Shares for the voluntary escrow period.
- (c) The terms of the Performance Rights are set out in Schedule 1.
- (d) The Shares and Performance Rights will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by an ASX waiver of the ASX Listing Rules) and it is intended that the Issue of all Shares and Performance Rights will occur on the same date.
- (e) The consideration for the issue of the Shares and Performance Rights is the acquisition by the Company of the Coogee Gold Project from Serena Minerals.
- (f) The purpose of the issue is to acquire the Coogee Gold Project.

- (g) A summary of the material terms of the agreement between the Company and Serena Minerals to acquire the Coogee Gold Project is as follows:
- (i) In December 2017, Serena Minerals became a party to a Farm-in and Joint Venture Agreement with Ramelius Resources Limited and Serena Minerals (as operator for the Joint Venture) carried out further exploration and development activities. The Company will take over Serena Minerals' rights pursuant to the Farm-in and Joint Venture Agreement to earn an 80% joint venture interest in three phases by spending a total of \$2,100,000 on exploration. Serena Minerals has already expended in excess of \$500,000 and completed Phase 1 to acquire a 10% joint venture interest. Phase 2 requires further expenditure of approximately \$600,000 by 31 March 2022 to earn a further 40% joint venture interest and Phase 3 requires an additional \$1,000,000 expenditure by 31 March 2024 to earn the remaining 30% joint venture interest.
  - (ii) Upon earning an 80% joint venture interest, the Company would then be required to sole fund the Coogee Gold Project to a decision to mine, which will require the delineation of a JORC 2012 gold resource of at least 22,000 ounces to a bankable standard.
  - (iii) Upon a decision to mine, Ramelius Resources Limited can elect to either:
    - (A) Maintain its 20% joint venture interest by contributing to joint venture expenditure.
    - (B) Dilute its joint venture interest in accordance with a standard dilution formula.
    - (C) Withdraw from the joint venture and receive a 1.5% net smelter return royalty.
    - (D) Increase its joint venture interest by purchasing 31% of the Company's joint venture interest for the greater of:
      - (I) three times expenditure incurred by Serena Minerals/the Company up to and including the date of election;
      - (II) \$25 per resource ounce; or
      - (III) \$100 per reserve ounce.
  - (iv) In addition to the rights of Ramelius Resources Limited, there is also a \$25,000 per annum haul road compensation payment and a royalty of \$5 per ounce payable to third parties in relation to the project.
  - (v) The acquisition is subject to the following conditions precedent:
    - (A) Due diligence: The Company completing legal, financial and technical due diligence on the Coogee Gold Project and being satisfied (in its sole and absolute discretion) with the results of its due diligence enquiries on or before 10 July 2020 or such later date as agreed between the parties.

- (B) Shareholder approval: The Company's Shareholders approving the issue of Shares and Performance Rights to Serena Minerals and the issue of securities pursuant to the proposed capital raising on or before 14 August 2020.
- (C) Other approvals: The parties receiving any other regulatory or third-party approvals or consents required for the acquisition including pursuant to various third-party agreements on or before 14 August 2020.

If any of the conditions are not met, the Company may terminate the acquisition by notice in writing to Serena Minerals.

- (vi) Completion of the acquisition will occur within 14 days after satisfaction of all the conditions precedent or such later date as agreed between the parties.
  - (vii) Serena Minerals has nominated one of its directors, Zaffer Soemya, for appointment to the Company's Board as a non-executive director on the same remuneration as applicable to the current Company directors.
  - (viii) The Company will also appoint Mr Harjinder Kehal as a consultant to assist the Company in development of the Coogee Project on terms to be negotiated between the Company and Mr Kehal.
- (h) A voting exclusion is included in the Notice.

### **1.3 Directors' Recommendation**

The Board recommends that Shareholders vote in favour of this Resolution as it will enable the Company to acquire the Coogee Gold Project.

---

## **2. RESOLUTION 2 – RATIFICATION OF PLACEMENT**

### **2.1 General**

On 7 July 2020, the Company issued a total of 450,000,000 Shares at an issue price of \$0.001 per Share to raise \$450,000.

The Company issued the Shares without prior Shareholder approval out of its ASX Listing Rule 7.1 and 7.1A placement capacity.

This Resolution seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares.

### **2.2 ASX Listing Rule 7.1, 7.1A and 7.4**

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

ASX Listing Rule 7.1A enables a listed company to obtain shareholder approval at its Annual General Meeting to issue a further 10% of equity securities in a class that is listed in ASX in the 12-month period following the AGM.

The placement used the Company's 10% limit in ASX Listing Rule 7.1A that had been approved by Shareholders at the 2019 Annual General Meeting and the issue price was within the pricing parameters of ASX Listing Rule 7.1A and also used part of the Company's 15% limit in ASX Listing Rule 7.1.

ASX Listing Rule 7.4 allows shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under ASX Listing Rule 7.1 or further securities pursuant to ASX Listing Rule 7.1A as approved at the 2019 Annual General Meeting.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain approval for such issues under ASX Listing Rule 7.1.

If the Resolution is passed, the issue of Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in ASX Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without approval over the 12-month period following the issue date.

If the Resolution is not passed, the issue of Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in ASX Listing Rule 7.1A.

## 2.4 Directors recommendations

The Board recommends that Shareholders vote in favour of this Resolution as it provides the Company with the flexibility to issue further securities under the Company's placement capacity under ASX Listing Rule 7.1 and 7.1A without Shareholder approval.

---

## 3. RESOLUTION 3 – ISSUE OF ATTACHING OPTIONS TO PLACEEES

### 3.1 General

This Resolution seeks Shareholder approval for the issue of up 450,000,000 Options exercisable at \$0.003 and expiring 31 December 2024, on the basis of 1 Option for every 1 Share issued under the placement the subject of Resolution 2.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The proposed issue does not fit within any of the exceptions and the Company is therefore seeking the approval of Shareholders under ASX Listing Rule 7.1.

The effect of this Resolution would be to allow the Company to issue the Options pursuant to the Resolution during the 3 months after the Meeting (or a longer period if allowed by ASX).

If the Resolution is not passed the Company will not be able to proceed with the issue of the Options.

### 3.2 Information required by ASX Listing Rule 7.3

### Instructions for Completing "Appointment of Proxy" Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
  - **(Individual):** Where the holding is in one name, the Shareholder must sign.
  - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
  - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
  - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
  - (a) send the Proxy Form by post to the Company at PO Box 835, West Perth WA 6872;
  - (b) send the Proxy Form by e-mail to the Company at [scott@victorymines.com](mailto:scott@victorymines.com); or
